Learn how to support your local shelter, advocate for animals, and take your first (or next) step toward helping to Save Them All.

You'll leave feeling inspired and equipped with toolkits and actionable next steps to save the lives of even more homeless pets.

Together, we can make New Jersey a no-kill state in 2025.

Tickets are available with a \$25 donation to the animals. With your gift, you'll become a Best Friends member and receive a one-year subscription to *Best Friends* magazine.
